

\$100 REBATE: REFRIGERATOR

Replace your old, inefficient refrigerator in your home with an ENERGY STAR® refrigerator to receive a \$100 Hancock-Wood rebate – and save on your energy costs!

Consult with your appliance dealer about removing your older, less energy-efficient refrigerator. We caution you against repurposing the old refrigerator, especially to a garage or barn that becomes very hot in warmer weather. That could cause this older appliance to work harder to keep items cool and cause a significant increase in your energy bill.

ELIGIBILITY:

- This rebate is available only to residential Members of Hancock-Wood Electric Cooperative.
- Purchase must be a new ENERGY STAR® certified refrigerator, 10-30 cubic feet in size, and made between Jan. 1, 2022 and Dec. 31, 2022.

EXPIRATION:

- Offer is available on a first-come, first-served basis and expires when rebate funds are depleted.

HOW TO PARTICIPATE:

- Complete and submit the rebate form on the reverse side, according to the directions and submit the specified purchase documentation.
- A check will be mailed to applying Member within four weeks.
